For Tuition Payments through FACTS (due May 7), there is a payment plan enrollment fee per family. The additional fees will be determined by how many payments you choose to make. If you pay the entire tuition bill in one payment via ACH, there are no additional fees if you don't use a credit card to make the payment. If you do pay with a credit card there is a 2.9% credit card fee. If you choose to make 1 or 2 payments, the fee is \$25, and for a choice of 4 or 10 payments, the fee is \$55. This is a non-refundable fee.

When considering the payment plan, please note that as the number of payments increases, the additional fees will increase as well. These fees are the cost of paying over the course of the year. With FACTS, you have options of 1, 2, 4, or 10 payments. Fees are determined based on the number of payments you choose:

- 1 payment: 0% additional fee (May 7, 2025)
- 2 payments: 3% additional fee (July 1, 2025 & January 1, 2026)
- 4 payments: 4% additional fee (July 1, 2025, October 1, 2025, January 1, 2026, April 1, 2026)
- 10 payments: 5% additional fee (July 1, 2025 – April 1, 2026)

*Please note that all fees are non-refundable. See the Parent/Student Handbook for the Tuition Refund Policy.
